Remarks

Responding to the Examiner's Office Action, all claims have been amended to incorporate the subject matter of dependent claims 3, 4, 18 and 20. Applicant disagrees with the Examiner's bases for rejection of the other claims but those bases are now moot as all claims now contain the subject matter the Examiner has found to be allowable.

If any petition for extension of time is necessary to accompany this communication, please consider this paper a petition for such an extension of time, and apply the appropriate extension of time fee to Deposit Account 23-3000. If any other charges or credits are necessary to complete this communication, please apply them to Deposit Account 23-3000.

Respectfully submitted,
